Never stop making memories together

## We are Fris

### FRIS WEDDING FILMS:

A unique, innovative and, above all, fresh look at wedding films and photography.

The highest quality at an affordable price.

The young and innovative approach of our team meant that we didn't have to brainstorm for a long time about a name. 'Fris' was born!

Because we don't like extras here and extras there, we have set up our All-In formulas so that our couples can consult our prices easily, clearly and transparently. Without having to look whether everything is indeed inclusive. So completely 'fris'!

Only a limited range of options is available.

Of course all your personal wishes are invaluable and we would love to hear them!

Our formulas have been put together with the utmost care, so that you receive everything you could wish for.

A tailormade package to fit all your wedding film/photo needs.

*Our mission*

## OUR COUPLES ARE THE BEST

From the first moment we meet our couples, we try to build a bond that goes beyond the customer. We think it's super important to get to know you personally. Together we ensure that you are completely relaxed with our Fris team in your area. This is how we portray your most beautiful day in the most sincere and natural way. Casual and pure.

# How we roll

## 01. INQUIRY + FIRST CONTACT

You can contact us via our website or our contact form. We will answer your request as soon as possible and immediately check our availability.

## 03. PREPS

We like good administration and contact with our couples. We will contact you in time before your big day to go over all the details and draw up a day planner:  
Clear and Fris

## 05. DELIVERY

Our quality is very important to us. That's why we don't 'quickly' finish your wedding film and photos to go 'on to the next'. We put a lot of time into our post-processing to deliver a beautiful product within 12 weeks after the wedding day.

## 02. LET'S MEET!

We like a real personal contact. That is why we always invite our couples for a personal introductory meeting. Here you can see whether we are really THE partner for you. You decide after this conversation :)

## 04. THE BIG DAY

Thanks to our clear and good communication before the big day, we arrive fully prepared on your wedding day and we know exactly what to do.

## TRAVELING COSTS

Our travel costs in Belgium are already included in all our formulas. So no hassle with calculating km's and reimbursements.

## HIGH QUALITY SOUND RECORDINGS

We love working with personal vows, speeches or other audio fragments in our films. This makes each film unique and tells a personal and unique story. That's why we don't charge extra costs for the recordings :)  
All-Inclusive!

## YOUR WISHES ARE PRICELESS

Each Fris Wedding Film is completely tailored to our couples.  
Do you have a particular style or preference?  
Fris will make it happen!

## *Sweet words*

IF THERE IS ONE THING WE DO NOT REGRET FOR A SECOND, IT IS THAT WE CHOSE FRIS FOR OUR WEDDING DAY.

FRIS REPRESENTS AN INCREDIBLY FANTASTIC TEAM WHO ARE JUST LIKE FRIENDS AND FAMILY, COMPLETE YOUR DAY WITH ENTHUSIASM AND ARE PART OF THE WHOLE.

IT IS SO NICE TO REVIEW THE PHOTOS AND FILM AFTERWARDS. PERSONALLY, I THINK THE WEDDING FILM IS A REAL MUST-HAVE IN ADDITION TO THE PHOTOS. THE OPPORTUNITY TO SEE EACH OTHER SHINE AGAIN,

FAMILY AND FRIENDS TO RELIVE THEIR REACTIONS, THE LASTING MEMORY OF OUR CEREMONY AND STATEMENT.. AND WHAT IS MOST IMPORTANT NOW.. A FRESH MEMORY FOR LIFE!

WE ARE SO GRATEFUL TO THEM!

### DOCU EDIT FILM

# WHY PICK *fris*

## WE DON'T LIKE SALES PITCHES

"A FRIS WEDDING FILM SPEAKS MORE THAN A THOUSAND WORDS"  
We would rather let our work speak for itself than praise ourselves for our work. We like the 'feet on the ground' approach.  
Our couples and our work are our very best advertisement.

## YOUNG, FRIS CREW

Team FRIS is not just a team of video and photographers.  
We are a spontaneous, loose and above all professional gang that will make you feel completely at ease on your big day.  
Invisible, subtle and a little (sometimes West Flemish) humor make us, if we are to believe our couples:  
"a wonderful added value on the guest list"

## UNFORCED ATMOSPHERE AND STYLE

Don't you also like overposed and 'too made' videos + photos?  
Thank GOD! We neither!  
We prefer to capture your most beautiful day in a natural, casual and above all fris way.  
You enjoy each other with friends and family; we do the rest!

## ARE THERE DIFFERENCES IN THE WEDDING FILMS?

Regardless of which formula you choose, you will always enjoy our fresh quality. For us, every wedding film/photo is unique and we put the same amount of time into every production/post-processing, regardless of which formula you chose.

Your personal wishes are priceless, so together with your input / wishes we make a unique wedding film / photos tailored to each couple.

## DO WE HAVE TO PAY EVERYTHING IN ADVANCE?

No! You pay an advance of 400 euros (that's all).  
You pay the rest only (at the latest) 10 days after the wedding.  
Easy right?

## HOW SOON SHOULD WE BOOK?

To be sure of a place in our agenda, we strongly recommend that you contact us at least 12 to 14 months in advance.

## CAN WE BOOK ONLY PHOTOGRAPHY?

Unfortunately we do not offer photography without videography.  
Our formulas are made based on the combination.  
Only videography is of course possible.

# VEELGESTELDE *vragen*

*We can't wait to talk!*

Team FRIS is ready to answer all your questions and wishes. An exploratory and completely non-binding introductory meeting is completely free and gives our potential couples the opportunity to get to know our working method and approach. This is also the ideal time to ask your first questions and wishes.
