WE ARE FRIS

Fresh Wedding Films
A unique, innovative and above all fresh take on wedding films and photography.
The highest quality at a fair price.
The young and innovative approach of our team ensured that we did not have to brainstorm long about a name.
Fresh' was born!

Because we don't like hidden extras here and there, we created our All-In formulas so that our couples can easily, clearly and transparently consult our prices. Without having to look up whether everything is indeed included. Totally Fris!

At Fris, we put our service to our couples first!
This means that we don't want to be the 'biggest' or book the most weddings per year.
Providing an unseen service and experience to all of our couples is one of our priorities. Call it “Fris Boutique”

A real wedding film, completely made to your story, personal and sincere. No editing in cheap foreign countries, no AI photo editing, but everything made by ourselves with the greatest care: For you!
Different from the rest and still completely FRIS.

OUR MISSION (PASSION)

OUR COUPLES ARE THE BEST

From the first moment we meet our couples, we try to build a bond that goes beyond just the client. Getting to know you personally is super important to us. Together we make sure you are totally relaxed with our Fresh team near you. That way we can capture your most beautiful day in the most sincere and natural way. Casual and pure.

Our unique and personal approach in the preparation to your wedding day gives us a real and especially sincere 'boutique' vibe where every couple enjoys an unseen and especially personal service! So no big 'company' here!

DESTINATION WEDDING

Planning to get married abroad?
Totally understand!
Fond of our wedding film and photos but afraid it will be "priceless" to take us (wherever you go)?

All our formulas also apply to our destination weddings. Only our travel and accommodation are added. Isn't that Fris?

Feel free to contact us and we will gladly look at all possibilities and surprise you with our 'destination formulas'.

Do we MATCH?

- You are looking for a video and/or photographer who love casual, spontaneous moments.
- Our wedding films and photos are totally your thing!
  Our style is sincere, romantic and authentic
- You don't like hassle? Yes: Neither do we!
  A relaxed approach that puts you at ease.
- You love the quote “Because wedding films were never meant to be productions, they were meant to be felt!”

IS THIS YOUR VIBE?

HOW WE ROLL

01. APPLICATION + FIRST CONTACT

Vla our website or our contact form you contact us. We will answer your request as soon as possible and check our availability immediately.

02. LET'S MEET!

We like a real personal contact. That's why we always invite our couples to a personal introductory meeting. Here you can see if we are really THE partner for you. You decide after this meeting :)

03. PREPS

We love good record keeping and contact with our couples. So we contact you in good time before your big day to go over all the details and create a perfect day planner. Clear and fresh

04. THE BIG DAY

Thanks to our clear and good communication before your big day, we arrive on your wedding day fully prepared and know perfectly what to do.

05. DELIVERY

Our quality is very important to us. That's why we don't "quick-fix" your wedding film and photos to "move on to the next one. We put a lot of time into our post-processing to deliver a beautiful product within 16 weeks of the wedding day.

Good to know

RELOCATION COSTS

Our travel expenses are already included in all our formulas.
So no hassle with calculating fees.

ALWAYS WITH TWO VIDEOGRAPHERS

Because we want to deliver only the very best quality to all of our wedding couples, at Fris we always default to using two videographers to capture your beautiful day. At no extra cost!
We try to distinguish ourselves with dynamic and catchy montages and a lot of variety in our images from different angles.
Because: you only deserve the best!

EVERYONE IS FRIS TO US!

At Fris, it doesn't matter at all who you are, what you look like or what orientation you have: all that matters to us is your genuine love for each other! So everyone FRIS

QUALITY OVER QUANTITY

FRIS stands for quality. In order to offer ALL our couples an unprecedented service, we only take on the number of weddings per year as our calendar can handle. This way we guarantee an excellent service and we REALLY get to know our couples and invest in a very good preparation and communication. Call it "Fresh Boutique"

KIND WORDS

IF THERE IS ONE THING WE DON'T REGRET FOR A SECOND IS THAT WE CHOSE FRIS FOR OUR WEDDING DAY.

FRIS REPRESENTS AN INCREDIBLY FANTASTIC TEAM WHO, LIKE FRIENDS AND FAMILY, COMPLETE YOUR DAY WITH ENTHUSIASM AND ARE PART OF IT ALL.

IT IS SO NICE TO REVISIT THE PHOTOS AND FILM AFTERWARDS. PERSONALLY, I THINK THE WEDDING FILM IS A REAL MUST-HAVE TO COMPLEMENT THE PHOTOS. THE OPPORTUNITY TO SEE EACH OTHER SHINE AGAIN,

FAMILY AND FRIENDS TO RELIVE THEIR REACTIONS, THE LASTING MEMORY OF OUR CEREMONY AND THESIS... AND WHAT IS MOST IMPORTANT.... A FRESH MEMORY FOR LIFE!

WE ARE SO GRATEFUL TO THEM!

Shana & Lorenzo

KIND WORDS

IF THERE'S ONE THING YOU SHOULD INVEST IN AT YOUR WEDDING, IT'S A FRIS WEDDING FILM!

IT IS TRULY AN INCREDIBLY BEAUTIFUL, PHENOMENAL, BREATHTAKING AND MOVING KEEPSAKE! ON OUR BIG DAY ITSELF, WE WERE GIVEN A COMPLETELY UNEXPECTEDLY IN THE EVENING AT THE EVENING PARTY TO SEE A PREVIEW, THIS WAS ALREADY INCREDIBLE, AS WELL AS THE REACTIONS OF OUR GUESTS!

WHEN WE GOT OUR FULL ONE 2 MONTHS LATER WE WERE REALLY BLOWN AWAY! IT TAKES YOU ALL THE WAY BACK TO THE BEST DAY OF YOUR LIFE, SO BEAUTIFULLY PORTRAYED WITH THE RIGHT MUSIC UNDERNEATH! THESE GUYS KNOW WHAT THEY ARE DOING AND ALWAYS PUT YOU AT EASE. THEY JUST FIT IN PERFECTLY WITH ALL THE FRIENDS AND FAMILY AT THE PARTY!
THANK YOU!

Elise + Tom

KIND WORDS

THE GIFT OF CAPTURING THE MAGIC OF A WONDERFUL DAY.
EVERY TIME WE ARE IN THE MOOD OF OUR MOST BEAUTIFUL DAY.
ROB AND BART WERE SUBTLY PRESENT THROUGHOUT THE DAY AND SAW THE VERY BEST MOMENTS TO CAPTURE!

ALL THIS BROUGHT TOGETHER IN A BEAUTIFUL WEDDING FILM!

THANK YOU FOR THIS BEAUTIFUL MEMORY.
WHO GETS MARRIED WITHOUT FRIS, IS WRONG ...

Karolien & Pascal

KIND WORDS

ALL CREDIT TO THIS OUTSTANDING TEAM!

WHAT A GREAT JOB YOU GUYS DID! FROM THE FIRST TO THE LAST SECONDS GOOSE BUMPS, THANK YOU SO MUCH!

WHEN CHOOSING A WEDDING FILM, I DID NOT IMMEDIATELY FEEL AT EASE IN ADVANCE. ESPECIALLY THE FACT THAT I WAS OBLIGED TO POSE, WHICH IS NOT MY STRONG POINT AND FEELS QUITE UNNATURAL.

ON THE DAY ITSELF, EVERYTHING FLEW BY SO QUICKLY! DUE TO THE AMIABLE APPROACH OF THE TEAM, THE SHOOT WENT SUPER SMOOTHLY, VERY CONGENIAL GANG!

APART FROM THE PLANNED SHOOT, MOST OF THE REST OF THE DAY WE DIDN'T EVEN NOTICE THAT WE WERE FILMING & WHEN YOU SEE THE IMAGES AFTERWARDS, THE RESULT IS AMAZING.

ETERNAL THANKS FOR THESE FANTASTIC MEMORIES & GOOD LUCK WITH EVERYTHING ELSE YOU UNDERTAKE!

MERCI!!!

WHY FRIS

WE DON'T REALLY LIKE SALES PITCHES

"A FRIS WEDDING FILM SPEAKS MORE THAN A THOUSAND WORDS"
We would rather let our work speak for itself than praise ourselves to the heavens with our work. We like the "feet on the ground" approach.
Our couples and our work are our very best advertisement.

YOUNG, FRESH "GANG"

Team FRIS is not just a team of video and photographers.
We are a spontaneous, loose and above all professional bunch who will put you completely at ease on your big day.
With more than 10 years of experience in wedding filming, we've really mastered our art: Invisible, subtle and a little (sometimes West Flemish) humor make us, if we can believe our couples:
"a blissful added value on the guest list".

UNFORCED SENSE AND STYLE

Do you also not like over posed and "too made" videos+pictures?
Thank GOD!!! Neither do we!
We prefer to capture your most beautiful day in a natural, casual and above all fresh way. You enjoy each other with friends and family; we do the rest!

FAQ

WHEN WILL WE GET OUR WEDDING FILM?

Because we really don't like "quick quick," we really take our time to make your wedding film (and any photos) the very best result. From selection, music choice to collor-grading, we only go for the very best. This is why we charge a delivery time of
16 weeks after the wedding date. We are convinced that the most beautiful result is also the most important for you.

DO WE HAVE TO PAY FOR EVERYTHING IN ADVANCE?

No! You pay an deposit payment of 800 euros.
The rest you pay only (at the latest) 5 days after the wedding.
Easy right?

HOW SOON SHOULD WE BOOK?

To ensure a spot in our schedule, we definitely recommend contacting us at least 14 to 18 months in advance.

WE CAN'T WAIT TO TALK!

Team FRIS is totally ready to answer all your questions and wishes.
An exploratory, no-obligation introductory meeting is completely free and gives our potential couples the chance to get to know our way of working and approach.
This is also the ideal time to ask your first questions and wishes.
